Modernization and Economic Development of Japan
(1868 – early 1970s)

(Admissions of 2009 & onwards)

Time : 3 hours

Maximum Marks : 70

(Write your Roll No. on the top of immediately on receipt of this question paper).

Answer one question from each part. Attempt all the answers in Japanese.

Part A (25 marks)

1. What are the ways through which agriculture played a useful role in Japan's Modern Economic Growth?

or

2. What are the useful lessons that today's developing countries can learn from Japan's experience of economic development?

Part B (25 marks)

3. Describe the major developments in the transition period before the onset of Modern Economic Growth in Japan.

or

4. How do you assess the developments in the initial Phase of Development in Japan?

Part C (20 marks)

5. How important was the role of the government in the Modern Economic Growth of Japan?

or

6. Do you agree with those who maintain that it is the long term growth of Japan since 1868 that should be studied to understand why Japan became an advanced nation?
